

# How to install Graphik

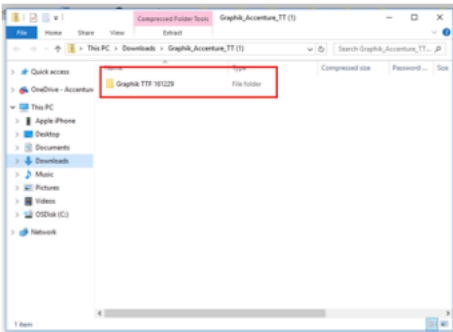

1. Download zip from link on Brand Space
2. Open "Graphik TTF 161229" folder from your Downloads folder
3. Select all files (Shift + A) and choose "Extract" from the top toolbar of your file explorer
4. "Extract all"
5. A pop-up will open, click "Extract"
6. Open "Graphik TTF 161229" in the extracted folder
7. Select all files (Shift + A), right-click and choose "Install"
8. The Graphik fonts are now in your "Fonts" folder

1

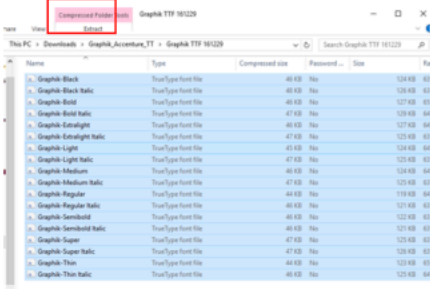

Fonts for PowerPoint, Word, Excel and Adobe Creative Suite

Note: If you previously installed the OpenType version of the Graphik font, please DELETE and replace with the version above.
